

Congratulations! Mrs. Jennifer Alexander

In commemoration of International Women’s Day celebrated March 7th 2015, The Gros Islet Town Council held their first “International Women’s Day Awards” at the Gros Islet Constituency Council office.

Honorable Emma Hippolyte, the Gros Islet Parliamentary Representative and the Gros Islet Mayor Her Worship Mrs. Alison King-Joseph were present to recognize 7 outstanding women, who have served in a wide cross section of our community. The fields they contributed to were; Education, Tourism, Accounting, Social and Pastoral Work, Small Business and Community Development. All 7 women have worked tirelessly for decades in their fields and made great strides in the development of not only their community of Gros Islet but St. Lucia. Naturally, there are many other outstanding citizens who deserve recognition and we are certain will in time be acknowledged. Therefore, to those who were celebrated we say CONGRATULATIONS and thank you for all your hard work and dedication.
