

## GRADE 6 DEBATE

### Title: Manned Space Exploration versus Unmanned Space Exploration

On Friday 20<sup>th</sup> November 2015, our grade sixers had a debate exercise entitled Manned Spaced Exploration versus Unmanned Space Exploration. They got to volunteer for the side they wanted to debate on and dress up for their presentation. There is a glimpse of the action.

Unmanned Space Exploration Debate Team.

Manned Space Exploration Debate Team.

Congratulations

The Manned Space Exploration debate team with their eloquent and dynamic presentation emerged the winners of the debate.

***Congratulations, Team Manned!!!***
