

BONNE TERRE PREPARATORY SCHOOL LTD.

Newsletter March 2019

Thank You!

We thank all parents for the contributions to our mini fundraiser 'Bites at Bonne Terre' and all who supported us on that day. We realized a sum of \$1 895.00, which will go towards our some projects planned to uplift our school environment.

Congratulations and Thank You!

We take this time to congratulate all our students and teachers for the wonderful display of talent during the performances at our celebration of St. Lucia 40th Anniversary of Independence.

Special thanks to our guest speaker Mrs. Wendy Delmar for taking the time from her busy schedule to deliver the feature address. To all parents who attended, we thank you for your presence and trust that you enjoyed the morning's proceedings.

Ash Wednesday

This year, Ash Wednesday which marks the beginning of the Lenten season falls on Wednesday 6th March 2019. The Parish Priest of Gros Islet will be visiting our school at 11:00 a.m. for the distribution of ashes to all Roman Catholic teachers and students. Parents who wish to join us are welcome to do so.

Evaluation for this term (Term 2) is being done through continuous assessment and not by final examination. Therefore, all assignments given this term including homework and projects are being marked as part of this assessment. Parents, kindly ensure that assignments are completed and handed in on time. Report cards will be sent home at the end of the term.

We say farewell to Miss Nathaline Deterville, aka Teacher Faith who left us last week to pursue her dreams of further academic development. We wish her the best

Sports Meet: Our annual sports meet will be held at the Daren Sammy Cricket Grounds on Monday 18th March 2019. Our swim meet will be held on the March 20, 2019 and the Marathon on March 22, 2019.

International Women's Day Friday March 8th 2019 marks International Women's Day. We take this opportunity to wish all women who are part of the Bonne Terre School family a Happy International Women's Day!

Thursday March 14, 2019 is being recognized as World Kidney Day. We have been asked to support the St. Lucia Renal Association by requesting

a donation of \$2.00 from each child to this cause. Each child who contributes will be given a green ribbon.

NOTE: School commences at 8:10 a.m. Kindly make every effort to get students to school on time

In order to alleviate congestion at the main gate, we remind parents of the older students from the Primary and Secondary school that the drop off point is at the intersection before the school and students are to walk to the main gate. Parents dropping off younger students are to be mindful of pedestrians and the main entrance must be kept clear at all times. There is to be absolutely no parking in the turning point at the main entrance to the school. Please inform your drivers or anyone designated to take your child to or from school.

Safety First: Drivers should be considerate of pedestrians walking to and from the main entrance. We must remain cautious and be respectful to each other. Let us remember that children learn what they live. Also, be reminded that we are not to obstruct the driveway of any of our neighbours. We thank you for your cooperation in these matters.

IN THIS ISSUE:

- Congratulations and Thank You.
- Ash Wednesday
- Farewell
- Sports Meet
- International Women's Day
- Support for the St. Lucia Renal Assoc.
- Other Business
